

Changing Peer-to-Peer Fundraising Teams

If you signed up as a fundraising participant for a peer-to-peer event, you may have also elected to join a team.

There are some instances where you may need to change your team after you've selected it:

- The team is participating in a different **Classification** than you intended to participate in
- You joined the wrong team
- A friend asks you to join their team

You can change your team from personal your fundraising dashboard.

First, visit the event website, and then sign in to your peer-to-peer account using the email address and password you set up at account creation.

A blue rectangular button with the text "Sign In or Sign Up" and a small downward-pointing chevron icon on the right side.

Once signed in, select **Fundraising Dashboard** from the **My Fundraising Tools** drop-down menu.

Then, select **Our Team** from the list of options on the menu on the left-hand side of the dashboard.

A dark gray rectangular button with the text "Our Team" in white.

This displays details about your fundraising team. Scroll down until you see the **Change Teams** button and click it.
