

Register for Multiple Auction Tickets

This article will explain what you might expect to see when registering for multiple auction tickets on the web or in the Givi mobile app.

Registering on the Web

When you register for an auction on the web, you may have the option to add multiple packages to your registration, or you might be given the opportunity to purchase a package that includes multiple tickets, such as a Table Sponsorship.

Registration Options → Information → Review and Billing → Thank You

The screenshot shows two selection options. The first is 'In-Person Bidding' at \$50.00, with a dropdown menu set to 0 and a list of options 0, 1, 2, 3, 4. The second is 'Table Sponsorship' at \$350.00, with a dropdown menu set to 0. A text box below the second option states 'A table sponsorship includes eight (8) in-person tickets'.

If you choose either of these options, you'll be able to assign your additional tickets to guests at the time of purchase under **Ticket Details**.

The screenshot shows the 'Ticket Details' section for a 'Table Sponsorship' which includes 8 tickets. The first ticket is selected as 'My ticket' and has an 'Invite a Guest' link. Below this are notification preferences for email and text, with a note that providing a phone number is required for text messages. The remaining four tickets are also listed with 'Invite a Guest' links.

To claim a ticket for yourself, just click the box labeled **My ticket**.

To send a ticket to a guest, click **Send to Guest**. The Guest Information area will appear, where you can enter their name, email address, and phone number. A copy of the ticket will be emailed to your guest after you complete registration.

Clicking **Manage Your Tickets** will take you to the manage tickets page.

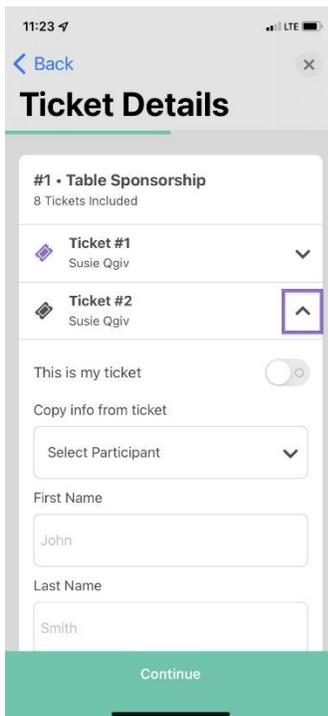

From here, you can click **Print Your Ticket** to generate a printable PDF of all your tickets.

Registering on Givi

Registering for multiple tickets on Givi is like registering for multiple tickets on the web, but the interface will look a bit different.

Select the number of tickets you want by tapping the plus and minus signs next to the package you want to purchase.

On the **Ticket Details** screen, you can send a ticket to a guest by tapping the arrow next to a ticket and then inputting the guest's information. The ticket will be emailed to them after you complete registration.

When your purchase is complete, you'll receive an email with a link to manage your guests' tickets.

Quincy, your ticket is here!
